Trail Boss Letter:

Yetta Hey Princess Dads and Daughters, its ***JULY – Summer Vacation is finally here!!!***

Camp Fitch:

Looked like everyone had a great time – by all of the slow moving girls I saw on Sunday. I would like to say thanks to all the outposts that participated in making their outpost signs – and those that worked on securing other outposts signs. I guess we know the winners were, by the parade on Saturday afternoon the “Tomahawks” – totally dominated the competition.

The Northern Lights deserve a thanks for their TWO “Lip Sync” songs in a 50’s theme – the girls in their poodle skirts and Dads with their “*Fifties Look*” white ‘T-Shirts’.

Thanks to all of the girls who decorated their bicycles – they were great in *red, white and blue*, for the first annual bicycle parade at Camp Fitch before the Lip Sync.

Crooked River – the Rock ‘in Cowgirls outdid themselves with the Chicken Dinner. Even the bugs cooperated this year and let us in eat in peace.

Community Service Patches:

Diamondbacks and Tomahawks – *great job!!!* Come on other outposts.....Fall Camp is another opportunity for getting your patches! Any outposts interested – the Cuyahoga County Junior Fair Building has some clean-up work and painting – they are looking for volunteers.

July: Boat Race will be on July 17th!

We are getting to close to the BOAT RACE time!!! If you have not yet purchased your Boat kit – they will be on sale at the July Frontier Meeting or go to Doug Payne or Phil Thorman's house – especially around mid-night to purchase one!

Fluffing Contest! - For Cleveland Indians tickets

Bob Tupa, our Elder, has a contest starting with officers having a limited number of envelopes available to Princess who fluff them (at non-events). The envelopes contain coupons for Adventure Princess Clothing or Cleveland Indians Tickets. [Sorry - Officer Daughters are not eligible] You need to find the Officers at home or “out and about” – each Officer has a limited number of envelopes to pass out.

FIRE TERRITORY REPORT

Rising Dragons

May presented an Indians game,
Our dragons witnessed more of the same.
Late inning heroics, fireworks filled the night,
Father, daughter, family - so right.

Sweltering pavement as lips were parched,
May ended quickly as dragons marched.
Throwing candy, princesses in vest,
It is what dragons do the best.

Planning for Fitch next on the agenda,
Spring camp will surely be a camp to rememba.

Dragon Breath - Out

The Wildfires

Girls in the WildFires have been busy getting ready for
Spring Camp and the Big Memorial Day Parade.
Come and get it - If you can.

Tomahawks

The Tomahawks started the month off at an Indians game. How fitting for a tribe of little princesses. Walking on the field was something cool for both dads and daughters. And the fireworks that ended the night were better than the way the game ended. We spent the rest of the month trying to figure out how to earn our Mick Jaggar lips patch at camp. Happy to say we figured it out and will be ready to strut our stuff in the lip sync contest. We then ended the month with a long walk on hot day. Marching in their first parade put a smile on every girls face. Some got a little upset that their fathers didn't bring enough water, but the dads won't make that mistake come July. We're all looking forward camp and can't wait to see everyone there

The Fireflies had a great time at Camp. We enjoyed the Smores by the Lake, the Camp Activities, we enjoyed swimming, sitting by the fire. We had a blast on the slide and swing. The decorating of the bikes was a fun project for all to enjoy and we managed to fit 17 people into our Van for the traditional trip to the Candy Store and Ice Cream Parlor where we caught Princess Pokanoeth hiding out with his daughters thinking about how to display the snatched Tomahawk sign! Even the kings got ripped...We are looking forward to the Parades and the Boat Race, Putt Putt and the Lake Erie Captains Game! Good Stuff!

SKY TERRITORY

The **Mighty Sandstorm Bandits** had a great time on Indian Princess night @ The Cleveland Indians game on FRIDAY the 13th. Down 4-3 in the bottom of the 9th with 2 outs Travis Hafner hit a 2 run walk off HR-"Priceless". The girls marched around the field before, ate \$1 hot dogs, & watched an awesome display of Fireworks after the game. We marched in the Memorial Day Parade in 7 Hills but kept the Vests at home as it was HOT-the cooler way to go. Our last Spring Camp was awesome! We stayed up at the "Taj Mahal" / Mirto Lodge. Friday night started out down at the Beach with gourmet s'mores then later we had the best Fried chicken dinner with all the Fix-ins, no midges this year. Saturday was great as we went horseback riding, shot 22 rifles, bow & arrows, rode bikes, went swimming for hours, fishing, went down the giant slide multiple x. The lodge was great as the girls had a lot of fun playing upstairs. We had a huge fire going the whole weekend in the back yard cooking marsh-mellows, popcorn, peanuts, & cheezits on a stick. We are looking forward to the Fishing Derby & Drive In movie coming up. *Happy Birthday to Sarah Armbruster on July 8th. Friends Always.*

The **Diamondbacks** had a great time at our last Spring Camp and appreciated the rain from staying away. It was great to complete our 4-part patch and receive our patches at council fire. We're already working on our third 4-parter to be completed by the end of the year. Right now we're working on our boats for the Boat Race while we plan on marching in the St Charles and Fourth of July parades. See you at the Father's Day drive in as well. Like the twinkle in our dad's eyes, the Diamondbacks are the brightest in the Sky!

Rockin' Cowgirls - Here in the Rockin' Cowgirls stable, we are all tired! We all had a good time at camp, and are thankful the weather was great! Hope everyone enjoyed Crooked River! We had several people ask about the chicken, no Tim O didn't make it. We bought it from the Pic Quick Deli-Mart at York and Sprague. Congrats to Kayla for making it to the top of the rock wall!!! Also special Thanks to Todd for doing community service and representing our group! We are all ready for the Drive-in! See you there!

Thank you, Tim and Hailey Organiscak,

School is nearly out and SUMMER IS HERE! The Tigerlillies are ready for Spring Camp at Fitch. Hoping for good weather and looking forward to good times (swimming, biking, fishing, rock wall and more). See everyone there!

The **Chippequois** held a meeting at Cassidy Payne's house to decorate the Forest outpost-of-the-year wagon wheel. Thanks to Mr. Payne for all his preparation & efforts. We also created an outpost sign for the campout. The girls had fun decorating & even put on a dress-up skit for the dads! The memorial day parade was a bit hot, but at least it wasn't raining. It was a good day to honor our fallen soldiers and show our American pride & gratitude for the troops. We're looking forward to Spring camp.

The Mighty **RedHawks** had a great time on Indian Princess night @ The Cleveland Indians game on FRIDAY the 13th. Down 4-3 in the bottom of the 9th with 2 outs Travis Hafner hit a 2 run walk off HR-"Priceless". The girls marched around the field before, ate \$1 hot dogs, & watched an awesome display of Fireworks after the game. We marched in the Memorial Day Parade in 7 Hills. Our 2nd Spring Camp was awesome! We stayed up at the "Taj Mahal" / Mirto Lodge. Friday night started out down at the Beach with gourmet s'mores then later we had the best Fried chicken dinner, no midges this year. Saturday was great as we went horseback riding, shot 22 rifles, bow & arrows, rode bikes, went swimming for hours, fishing, went down the giant slide multiple x. The **Mighty Powhatan** had a good turnout at the Indians game. As usual, the girls had a good time marching the Memorial Day Parade. The girls and dad's had a wonderful time at Camp Fitch. The fishing derby was great, thanks to my fellow Powhatan dad's and daughters for helping out with the event. Looking forward to the July 4th parade, the boat race and putt putt coming up in July. Good luck to all the girls and their boats.

Thanks

The Fishing Derby Report

Thanks to the attendees who partook in the Fishing derby. It was a little overcast but it was still an awesome day. Never thought I'd see the day when the girls would grab the fish they caught and run over to the measuring stick to see who caught the biggest fish. Thanks go out to Phil and Holly Thorne for allowing the girls to use his canoe which he brought. That was great to see the girls lining up to take it out on the lake. Also like to thank Princess Pat for securing our great location (except my directions). Without his help, the derby may not have happened. A very special thanks goes out to Mr. & Mrs. Miller who gave us permission to use his awesome piece of heaven (per Phil) they were quite impressed how the dads and daughters were very excited about spending time together. They were equally impressed how everyone chipped in to clean up and leave there lake like they found it that morning. I am very impressed by how without asking the girls and dads just pitched in for cleanup process. We were offered a return visit to the Miller's lake. We had about 32 people attend with poles in hand. Everyone fished for a couple hours, had some lunch provided by chef Tim O. (awesome job) and finished off the day with canoeing and fishing. Congratulations to our 5 big winners. We had a winner from each territory.

Adventure Programs *Recruiting and Advising* We need your help!

Not sure what that is? Well...

Each year we have a number of activities going on that are intended to create interest and encourage new members to come into the organization (recruiting). We also have experienced members assigned to each of the newly formed groups, answer questions and help the new people get started (advising).

We are looking for members to help us out! We need people to support the organization in covering the following areas:

Recruiting

- Rally nights at the YMCA
 - Answer questions for the new dads
- Visit schools on the night of the open houses (this is HUGE!!!)
 - Be available at a table with literature to answer questions from the parents there that night
- Visit schools during the day and talk to kids during their lunch periods
 - Tell them about the organization and give them information to take home

Advising

- Work with one of the new groups to help them get through their initial meetings and get their feet on the ground

Help a little or help a lot, no one will be turned away! There is a lot to do and every bit of support helps. Let's make sure this is a good recruiting year and keep this organization strong!!!

Planning meeting:

Tuesday, July 19th at Yorktown Lanes 7:15pm

(Please notify by email or by phone if you can lend a hand. We need your help!)
